COMMUNITY CORRECTIONAL CENTER

SPONSOR AGREEMENT

I, _____ (applicant name), am aware that _____ (resident's name) is under the supervision of the Utah State Department of Corrections and is a resident of a community correctional center.

I understand center residency is a form of legal custody. Center staff have the authority and responsibility to supervise and control the activities, whereabouts, and personal associates of an offender.

I understand all sponsors, with the exception of a legal spouse, must be at least 18 years of age.

I understand if information on my sponsor application changes, I am to notify staff before sponsoring the offender again.

I understand the above named center resident is required to abide by the rules of the community correctional center.

1. Acceptance or rejection of applicants for sponsorship will be at the discretion of center staff and, if the applicant is under probation or parole supervision, the applicant's supervising agent. Sponsors previously approved may be denied at any time for cause.
2. Residents **MUST** remain accountable at all times while on leave and must call the center prior to changing locations or every 3 hours, whichever occurs first. Calls **MUST** be from a land line unless the resident has obtained center approval to do otherwise.
3. All leave applications will be specific regarding locations, sponsors, times, and activities. Leave structure may not be changed once the leave application has been approved. The leave application must include the address and phone number of all locations and activities.
4. The resident **MUST** remain in the presence of an approved sponsor at all times during leave.
5. A resident may **NOT** change sponsors during leave time without prior approval.
6. No leave period shall exceed 54 continuous hours at any given time.
7. Residents are to notify center staff immediately upon knowing they will be late for any reason.
8. Sponsors must be willing to prove their identity by showing picture I.D. to any staff member who requests to see it.
9. Center staff may deny or cancel leave time for cause and it is the resident's responsibility to notify you if this occurs.
10. Leave shall not begin earlier than 6 a.m. or terminate later than center curfew, 10 p.m..
11. Residents may not use or have in their possession any medication unless it has been prescribed by a licensed physician. Over-the-counter medications should be cleared through center staff prior to use, and the original seal should not be broken when bringing medication into the center.
12. Sponsors shall **NOT** have any alcohol on their person or at their premises during the time a resident is visiting. Sponsors and residents must refrain from drinking alcohol while a resident is on leave from the center.

18. Residents are expected to do their personal errands on their leave time.
19. Residents are prohibited from entering into any financial transactions while on leave.
20. Residents may **NOT** drive while on leave unless they have prior approval and are structured to drive on their leave application.
